OBJECTIVES AND ACTIVITIES

Our Values

Doorway Wiltshire Limited accepts and values diversity in all people, and is committed to a policy of equal opportunities in all areas of its business.

We believe that time should be given to working with people who wish to fulfil their personal potential and participate fully in society but find it difficult to do so for whatever reason.

Service Users are known as 'Guests' rather than 'Clients', which defines the relationship we wish to achieve.

Our Vision

We believe that homeless and marginalised individuals are capable of change and will only achieve their full potential when offered a safe, supportive, empowering and non-judgemental environment - it is our vision to provide such an environment and meaningful activities which will help reverse the spiral of homelessness

Our Mission Statement

To realise this vision, Doorway Wiltshire Limited will strive to:

Report of the Trustees
for the Period 22 April 2010 to 31 March 2011

OBJECTIVES AND ACTIVITIES

- Provide a warm, safe, non-judgemental environment.
- Train staff to engage with guests and form professional boundaried relationships.
- Use these relationships to promote growth in guests' self esteem, confidence and aspirations.
- Provide information, support and, where necessary, practical help that will empower people to make and act on informed choices arrived at by themselves.
- Provide activities within the centre which are likely to enhance guests' skills and raise self-confidence as a first step towards changing their lives.
- Encourage and empower guests to become involved in the running of the centre and in forums designed to give service users a voice.
- Promote the needs of homeless and marginalised people locally by means of high quality PR, thereby helping to reduce discrimination towards them and influencing the local community to become more supportive and less judgemental.

The trustees confirm that they have complied with section 4 of the Charities Act 2006, to have due regard to the Charity Commissioners general guidance on Public Benefit, 'Charities and Public Benefit'.

Our Key Objectives

In April 2010, Doorway absorbed the work of ReachOut and our plan was to include both the vision of the charity, and their practical expertise into the new organisation, Doorway Wiltshire Limited. (ReachOut had worked with people aged 16-25 who have issues with their own or other peoples' substance abuse, and their families.)

In order to advance Doorway Wiltshire Limited's aims and objectives our plan has been to:

- Work, via our drop-in facilities, with individuals above the age of 16 (and their families and friends where appropriate) who are homeless or at risk of homelessness, exclusion or disadvantage because of their lifestyles, and to support the resolution of any issues they may have with substance abuse.
- Provide activities which help individuals to develop life skills in literacy, numeracy, IT and financial management and to gain self-esteem, confidence and a sense of wellbeing through meaningful recreational pursuits and therapies. Thereby, enabling them to move on in their lives away from dependency into self-sufficiency via employment, education or training.
- Signpost guests towards housing, social care and treatment options.
- Offer complimentary therapies to enhance guests' wellbeing.
- Raise local awareness of the needs of the homeless and socially excluded people, and increase the ownership of the project by the community.
- Generate funds for all of the above by charitable or commercial means.

OUR ACHIEVEMENTS

- After 7 years of operation, Doorway is now the key agency in Chippenham and north Wiltshire for homeless and marginalised young people and adults.
- Our work benefits not only the individuals who attend the drop-in but also the wider community, as guests are supported to move on in their lives away from substance dependency and reliance on welfare benefits and services.
- We also provide numerous volunteering opportunities for local people who want to make a difference in our community. We have an excellent track record for recruiting and retaining high quality volunteers on whose wide diversity of skills and life experience the success of the drop-in depends.
- Our unique position means that we are regularly consulted by Wiltshire Council, the media and other agencies for information and statistics about our client group. Our work with substance users addresses the Local Area Plan priority of action to deal with anti-social behaviour arising from drug and alcohol problems and addresses a number of other issues related to harder to reach groups. In 2010 we won the Wiltshire Health and Wellbeing Award for 'Action to prevent drug and alcohol abuse' for our work in the community and the drop-in.
- Our guests are encouraged to engage in social activities designed to build skills and self confidence as preparation for moving on (e.g. music, creative writing and football) and to contribute to our website and to our community blog which gives them a 'voice' locally and beyond.
- We have piloted our own programme of one to one support, helping guests to identify and work towards achieving positive changes they wish to make in their lives. We are currently planning to launch an AQA accredited training programme - Practical Housing Units - teaching skills needed to obtain and manage a tenancy. Our aim is to reduce recurring homelessness amongst guests who have tenancies but lack basic life skills.
- We work closely with other agencies including the Police, Housing Options and specialist health and welfare agencies. Partnerships add value to the service we provide at no extra cost to Doorway.

Report of the Trustees
for the Period 22 April 2010 to 31 March 2011

OBJECTIVES AND ACTIVITIES

- Our Chief Executive works in senior schools within the National Curriculum to raise awareness of the realities of homelessness and life on the streets including violence, addiction and prostitution, aiming to reduce preventable homelessness among young people resulting from conflict at home.
- Our very effective community engagement programme promotes the needs of homeless and marginalised people locally, thereby helping to reduce discrimination against them, and also generates support for the positive work we do.
- The future of Doorway has now been secured, and a proper management structure is in place. We have excellent staff with a superb body of volunteers and a standard of good practice established over seven years.

Funding and Support

With the dissolution of the Develop/Salvation Army partnership during 2010, we have lost the contribution in kind from The Salvation Army, valued at around 25% of our running costs.

Because Doorway's future was uncertain, very little had been done by way of writing funding applications in the six months leading up to the establishment of the Steering Group in March 2010. From March to September 2010 our attention was diverted to the practical issues associated with setting up the new independent charitable organisation, and therefore very little grant funding was received.

Once the new organisation was officially registered, and all legal liabilities and assets were transferred to Doorway Wiltshire Limited at the start of December 2010, we were then able to concentrate, once again, on implementing our fundraising strategy.

Between 1 December 2010 and 31 March 2011 we received:

- £31,342 in grants from voluntary, statutory and charitable sources
- £7,673 in general donations
- £4,484 in Church donations
- £785 in standing order donations
- £734 from fundraising events
- £995 raised by Friends of Doorway through street collections

Reserves Policy

Doorway Wiltshire Limited holds a contingency fund in a separate deposit account which ensures redundancy money for Staff and 2 months rent etc. Doorway Wiltshire Limited will continue to ensure that the fund will eventually be increased to 6 months' reserves, as recommended by the Charities Commission, over a period of time as finances allow.

STRATEGIC PLANNING & FUTURE PLANS

- Continue to ensure that the services which currently form the core activities of the organisation are of the highest quality and fully funded.
- Continue to develop additional opportunities which have been identified to meet needs, but which are not currently being addressed:
 - 1 community gardening project.
 - 2 complementary therapies to include auricular acupuncture.
- Continue to review and develop the Moving On programme so that it can evolve to include more guests with differing levels of support.
- Launch an AQA accredited training programme - Practical Housing Units - teaching skills needed to obtain and manage a tenancy. Our aim is to reduce recurring homelessness amongst guests who have tenancies but lack basic life skills.
- Investigate and research opportunities for drop-in sessions in other nearby towns ie Malmesbury and Calne.
- Investigate and research the possibility of a multi-agency outreach project.
- Investigate and research opportunities for a community centre offering a service for the increasing numbers of Doorway guests who have been affected by the current economic climate. We believe that there are also a significant number of individuals who are not currently accessing our services.
- Investigate and research the opportunity for a social enterprise charity shop. This exciting venture would enable guests to offer their services, thereby increasing their own self confidence and sense of purpose which would tie in with our "Moving On" programme.
- Continue to develop our work with schools and colleges to reduce preventable homelessness among young people and to dispel prejudice which leads to the victimisation of homeless people

Doorway Wiltshire Limited

Report of the Trustees
for the Period 22 April 2010 to 31 March 2011

- Continue to develop our work with local businesses to increase awareness and opportunities for sponsorship.
- Actively seek new partnerships which will enhance our services to guests.
- Maintain a high and positive profile for Doorway and increase local 'ownership' and commitment to support the project.

Fundraising Strategy

- Continue to research and apply for charitable funding, locally and nationally.
- Build relationships with local statutory and voluntary agencies to achieve local partnerships and short to medium term grant funding.
- Explore possibilities for government and EU funding.
- Be alert to new funding streams generally.
- Exploit opportunities for business sponsorship.
- Give support to the newly reconstituted Friends of Doorway.
- Increase income and contributions in kind from the community via our Community Engagement programme.
- Increase planned giving by standing order and from gift-aided donations.

Volunteer Strategy

- Maintain a positive profile in the community - so that potential volunteers are aware of what we do and are inspired to apply to join the team.
- Recruit volunteers from all sectors of the community.
- Ensure that each volunteer has a role appropriate to his/her skills and interests.
- Maintain high standards of induction and training.
- Ensure each volunteer has a clear job description, appropriate support and clear lines of accountability.
- Ensure that volunteers feel valued and well supported.
- Involve volunteers in discussions on the planning and delivery of services.
- Pay all reasonable expenses incurred by volunteers.
- Provide references for volunteers applying for paid or other posts if requested.

Independent Examiner's Report to the Trustees of
Doorway Wiltshire Limited

I report on the accounts for the period 22 April 2010 to 31 March 2011 set out on pages seven to fourteen.

Respective responsibilities of trustees and examiner

The charity's trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this period (under Section 43(2) of the Charities Act 1993 (the 1993 Act)) and that an independent examination is required.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under Section 43 of the 1993 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 43(7)(b) of the 1993 Act); and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
 - to keep accounting records in accordance with Section 386 and 387 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of Sections 394 and 395 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
